What we learned today: Behold the glory of God!
Jesus washes our sins away!

Scripture we studied: John 2:1-11

Memory Verse: "Behold, the Lamb of God, who takes away the sin of the world!" John 1:29b

Scripture to study: John 2:13-25

Main point idea: God's gift of salvation is free!

Truth to know: Romans 6:23

Make it fun: Have kids take turns (with you and other siblings) teaching the truth!

1. First person says:

"How much does God's salvation cost?"

2. The other person responds: "God's love and salvation are free gifts to everyone!"

Throughout the week....

1. Have kids go through your house, opening all the doors and have them repeat as they open each door: "God's love and salvation are free gifts for everyone!"
2. Jesus refers to His Father's House as a "House of Prayer" in Matthew 21:13. Read this with your kids. Talk together about ways you can glorify God in your house! Declare what kind of a house you want God to help your house to be! Examples: House of Faith, House of Joy, House of Peace; Make a statement for this with a scripture to go along with it with your child and put it on your fridge! Pray about it each day!
3. In John 2:19, Jesus declares HE will raise Himself up! Do this rhyme to the tune of "The Muffin Man" with your child saying.. "Who raises Jesus up? Jesus up? Jesus up? Who raises Jesus up? Jesus is the one!"
